Asalamu Alaykum

Respected Parents, staff, students, our families & community members

On this final day of the Blessed month of Ramadaan we appeal to Almighty Allah SWT to accept our humble efforts this past month & to forgive us for any shortcomings.

We ask Him for His Numerous Favours, Mercy, Guidance, Protection & Blessings. Ameen!

We beseech Him to fill our homes with tranquility, love, happiness & sincere gratitude for all that we have.

We beg Him to give comfort to the destitute, the oppressed, the orphans & the needy.

We thank him for keeping us safe from the Covid19 virus and other calamities.

We ask Allah SWT to grant shifaa & aafiyah to our loved ones that are ill & we ask Him to grant our deceased Janatul Firdous Ameen.

We ask that He gives us the tenacity to continue being the best ambassadors of Islam that we can be.

We Praise Him & thank him for granting us the auspicious occasion of Eidul Fitr. Ameen Yaa Rabbal Aalameen!

For our families who does not have access to Facebook, we are now able to share our posts with you via YouTube; thanks to the sterling efforts of Br Omair & Br Fawad (may Almighty reward you for your tireless efforts of recording & editing) we have established our school YouTube Channel.

May Allah SWT reward our staff & students for their sterling efforts, dedication, commitment to be able to share with you the care, diligence, uniqueness & humble efforts of catering for our students needs & serving the community.
