1 Introduction

- 1.1 To accept an offer of enrolment provided by the College, the Applicant must sign and return to the College the Enrolment Terms and Conditions within the specified time period.
- 1.2 The College requires both biological parents of the child seeking enrolment to complete and sign the Enrolment Agreement (unless the applicable Campus Principal authorises otherwise on the basis of an exception, including but not limited to, where a court order disclosed to the College specifies otherwise or a biological parent is deceased or lost capacity).
- 1.3 In signing the Enrolment Agreement, the Applicant agrees to the College's policies which may be changed during the period of enrolment at the discretion of the College.
- 1.4 The College's policies, except for the Parent Code of Conduct, do not form part of the Enrolment Agreement.
- 1.5 The College will encourage the Student to achieve their personal best but does not make specific promises or representations of any kind regarding specific academic outcomes or individual student achievement, and no such representations are to be implied on the basis of the College accepting the Student for enrolment. We attempt to support all our students, whatever their abilities, in the pursuit of excellence.
- 1.6 The College has set Islamic Values – students will be taught and graded according to the Hanafi School of Thought.
- 1.7 For the purposes of these terms and conditions:
- 1.8 "Applicant" means the person or persons named in the Application for Enrolment seeking to enrol their child at the College.
- 1.9 "Student" means the child named in the Application for Enrolment.
- 1.10 "Campus Principal" means the Campus Principal of the College and/or his/her nominee.
- 1.11 Disciplinary action may be implemented against the Student (including suspension, detention and up to expulsion from the College) if in the opinion of the Campus Principal (or their nominated representative) the student is found to have breached the College's policies or is found to have engaged in behaviour detrimental to the College, its staff or students.

2 Fees and charges

- 2.1 The Applicant will be required to pay a once only per family capital levy per application year, as a pre-entry payment prior to the Student commencing at the College.
- 2.2 An offer of admission must be accepted within the period prescribed in the letter of offer, and the only method by which the offer can validly be accepted is by the payment of the requested capital levy payment. Failure to pay the capital levy payment in time may result in the revocation of the offer for a place. The capital levy payment is non-refundable. The amount of the capital levy payment is provided in the Fee Schedule.
- 2.8 The Applicant shall at such times as the College may require, pay to the College such fees as the College may determine, and reimburse any expenses incurred by or on behalf of the student.
- 2.9 If there is more than one Applicant, both persons will be equally responsible jointly and severally for all fees and charges payable under the Enrolment Agreement.
- 2.10 All fees and charges are due and payable in full on the date set out in the fee schedule published annually.
- 2.11 If the Student is admitted to the College during a term, tuition fees will be charged on a pro rata weekly basis.

- 2.3 No refund of fees paid or waiver of any fees outstanding will be made if the Student is withdrawn from the College during a term or is absent for any reason.
- 2.4 If the Student is withdrawn at the insistence of the College (e.g. due to the unsatisfactory conduct or behaviour of the Student), the Applicant is liable for all fees and charges to the date of notification of the Student's enrolment at the College being terminated.
- 2.5 If fees and expenses are not paid in accordance with the College's requirements, including any expenses incurred by or imposed on the student as a result of any breach of the College rules or other misconduct by the Student, the College may refuse to allow the Student to attend, or may remove the Student from the College.
- 2.6 The Chief Executive Officer or nominee is authorised to take such action deemed necessary to recover unpaid fees or charges.
- 2.7 The Applicant agrees to pay all costs incurred by the College in recovering or attempting to recover unpaid fees including, but not limited to, legal costs and disbursements incurred by the College.

3 Disclosure

- 3.1 The Applicant acknowledges that the Application for Enrolment has been completed honestly and correctly, and that the Applicant has made full disclosure in response to the matters and questions raised in the Application for Enrolment.
- 3.2 The Application for Enrolment forms part of the Enrolment Agreement, and failure to complete the Application for Enrolment honestly and correctly, or to make full disclosure, may result in the immediate termination of the Enrolment Agreement by the College.
- 3.3 Prior to and during enrolment, the College reserves the right to obtain (at the cost of the Applicant) further information regarding the Student including all academic information, College reports and all medical and other reports regarding the Student, if applicable.
- 3.4 The Applicant declares that the student is either an Australian citizen; has Australian residency status; or, has a Student Visa for entry and stay in Australia that allows education to be provided on the same cost basis as for an Australian citizen.

4 Discipline

- 4.1 The continued enrolment of the Student is dependent on their behaviour being in accordance with the College's policies, rules and regulations, as amended from time to time, as well as the behaviour of the Applicant being in accord with relevant policies.
- 4.2 The Applicant acknowledges that attendance of the Student at the College shall be at the sole discretion of the College irrespective of whether the Applicant or the Student are in breach of any of these conditions.
- 4.3 The College reserves the right to discipline the Student, including for out of hours behaviour that may affect other students or staff or unduly damage the reputation or property of the College.
- 4.4 The Applicant agrees that the proper and effective operation of the College requires the College to be able, in its sole discretion:
- 4.5 to terminate the right of the Student to attend the College; and
- 4.6 to discipline or suspend the Student.
- 4.7 If the Campus Principal (or their nominated representative) suspends the Student, the Applicant shall be notified to that effect and the period for which the suspension shall operate.

- 4.8 If suspended, the Student shall not enter upon any of the College's grounds for any purpose during the period of suspension without the express permission of the Campus Principal and shall be the sole responsibility of the Applicant during such period.
- 4.9 If the Student is suspended or expelled, the College shall retain or be entitled to receive the fees for the term in which suspension or expulsion occurs and the Applicant shall forfeit all right to recovery of those fees. The Applicant acknowledges that such payment of fees will be a proper and genuine estimate of the loss and damage suffered by the College caused by such suspension or expulsion and that such payment shall properly be considered to be by way of payment of liquidated damages.
- 4.10 Where the Student is suspended or expelled, and the fees are unpaid at the date of suspension or expulsion, the Applicant agrees that they shall be liable to immediately pay to the College all fees and expenses outstanding in relation to the Student up to and including fees payable to the end of the term in which such suspension or expulsion occurs.
- 4.11 The Applicant is expected to support the aims, objective, beliefs, rules and policies and discipline of the College. Disciplinary action may be implemented against the Applicant if in the opinion of the Campus Principal the Applicant is found to have breached the Parent Code of Conduct.

5 Health and medical treatment

- 5.1 The College will notify the Applicant of any injury or illness the Student may suffer at the College, which warrants staff intervention or a visit to the College First Aid. If requested, the Applicant will collect their child from First Aid within a reasonable period of time, otherwise the Applicant agrees to satisfy all costs associated with providing the Student with the required care and medical assistance.
- 5.2 If, during the period of enrolment, the physical and/or mental health of the Student changes at anytime, the Applicant will notify the College and provide any relevant medical information or reports in a timely manner. The College reserves the right to assess and determine its ability to provide ongoing education to a student and reserves the right to require the Applicant to provide the College with information as requested.
- 5.3 The Applicant will advise the College of any changes to their details at the beginning of each school year, and as required from time to time, and as requested for specific activities, including details relating to health and medical treatment.
- 5.4 In the event the Student is involved in a medical emergency and the Applicant or nominated contact person cannot be reached, the College can take action and incur expenditure as it considers necessary in the best interests of the Student. The Applicant will indemnify the College for the cost of any such treatment or action taken (e.g. Ambulance expenses)
- 5.5 The Student is permitted to access College specialists. The Applicant consents to those services being provided to the Student and understand there is confidentiality between the Student and specialist (if the specialist deems that to be appropriate in accordance with his or her obligations). In line with College policy, age appropriate permission will be sought.
- 5.6 The Applicant will ensure that the Student is appropriately immunised in accordance with the applicable laws. The College reserves its right to exclude a student in certain circumstances if the Student is not appropriately immunised and this will be strictly enforced in line with the College's legislative obligations.

ENROLMENT TERMS AND CONDITIONS

- 5.7 The Applicant shall be responsible for all medical, hospital, dental and other medical expenses incurred by or on behalf of the Student arising from or in connection with any injury or illness suffered by the Student while attending the College or taking part in the College activities, and the Applicant authorises the College to obtain such treatment for the student as the College in its sole discretion may determine.
