Respected Parents and Guardians

It is with pleasure that we welcome back the staff, students and parents for Term 3.

At **Garden College**, we believe that a successful education is about inspiration, motivation and being challenged to excel to achieve your optimum potential. Consequently, we nurture our students not only to achieve academic success but also to become true global citizens and ambassadors of Islam, In Sha Allah, Ameen!

We look forward to seeing all our students strive to achieve their optimum potential this term. We humbly request that all parents support us to achieve this Amaanat. Please ensure that you work closely with your child's teacher and follow through on issues such as homework, assignments, studying for tests, having a healthy lunch, behave impeccably, being punctual to school and wearing the correct uniform daily.

Please also be mindful that we are still observing strict COVID rules and procedures within the College to ensure the safety and wellbeing of our stakeholders. We kindly request that all parents support and cooperate with us.

**On behalf of the board I'd like to inform you that the College will be closed on Thursday 30<sup>th</sup> and Friday 31<sup>st</sup> July 2020 for Eid Ul Adha. We wish you all a day full of Almighty's Blessings, Ameen!**

School will re-commence on **Monday 3<sup>rd</sup> August 2020 at 9:10 am**. Please ensure that your children are at school (no extra time off for Eid) as we have much to get through this term.

Once again, I thank our staff, who continue to play a crucial role educating our children during this difficult and evolving time. We look forward to reconnecting with you all as normality slowly returns, In Sha Allah. We appreciate your patience and understanding and thank you for your continued support. A very special thank you to all parents who attended the meetings with our staff at the end of last term.
